Christie wrote so many novels some say she lost count. She was named a Dame of the British Empire in 1971. There is speculation that Agatha suffered from dementia in her later years even though she kept writing. Changes in the vocabulary and dialog of her later novels have been said by some to support this theory. There is an increasing preoccupation with older people in her writing, especially the novels Elephants Can Remember, and Postern of Fate.

### **Best Agatha Christie Book 88 books Goodreads**

Some of Agatha Christie's books were published under different names, so if you're looking for a title but can't find it, it's probably here after all. For example, the #1 book on the list (I'd say the top three listed are indeed her best and arguably in interchangeable positions) has been published under such titles as "Ten Little Indians". Also, on this list, "The Mystery of the Blue Train" is listed twice, at #54 and #94.
