Gendered Media The Influence of Media on Views of Gender

Woods adds that media influences the views tht society has on men and women. The under-representation of women can be seen according to Wood on tv, where there are three times as many white men as women (3). She suggests that if more women had authority positions, media would offer more positive portrayals of men and that women would be seen more often.

Gendered Media The Influence of Media on Views of Gender

Three themes describe how media represent gender. First, women are underrepresented which falsely implies that men are the cultural standard and women are unimportant or invisible. Second, men and women are portrayed in stereotypical ways that reflect and sustain socially endorsed views of gender. Third, depictions of relationships between men and women emphasize traditional roles and normalize violence against women. We will consider each of these themes in this section.
